

Fabrico and 3M Working Together to Provide Custom Assembly Solutions

Kennesaw, GA – Fabrico, the leader in design and manufacturing services for flexible materials, is working with 3M to offer custom, high-performance solutions for fastening and assembly applications. The two companies blend Fabrico applications and converting expertise with 3M high-value products to provide customers with exceptional bonding,

joining, fastening, and assembly solutions. Offerings include custom-converted 3M™ Dual Lock™ Reclosable Fasteners, 3M™ Scotchmate™ Reclosable Fasteners, and 3M™ VHB™ Tape.

Fabrico utilizes its experienced design engineering team and a broad range of in-house converting equipment to meet the demands for custom flexible material solutions. High-performance equipment at Fabrico allows for cutting or slitting of even the most challenging materials to custom size and shape requirements. Advanced design capabilities enable intricate designs while maintaining tight tolerances. Markets served include power generation, medical device, automotive, electric apparatus, and more.
