

Materials

Fabrico relies on engineering expertise and sourcing power to fully support our customers' design engineers, helping them to select the best material for the intended use. Long-standing relationships with world-class vendors means we can offer the highest performance, most cost-effective materials on the market, including laminates, tapes, films, papers, foams, rubbers, and coated fabrics and mats.

BRANDS	PRODUCT LINE	TYPE
3M™		TAPES: electrical, industrial, single- and double-coated, conductive foil, custom slit
3M IPT™	CeQUIN® Thermal Shield™ Thermavolt™ TufQUIN®	LAMINATES: DMD, CeQUIN with PET polyester film PAPERS: B-stage epoxy, inorganic insulation, dielectric, flame barrier
Adchem®		TAPES: adhesive transfer, medical, glazing
Adhesives Research®	ARclad®	TAPES: foil, pressure sensitive, EMI, single- and double coated
Asheville Schoonmaker		PAPER: mica
Avery Dennison®	Fasson®	PAPERS: pressure sensitive, coated, uncoated FOILS: pressure sensitive, coated, uncoated FILMS: pressure sensitive, coated, uncoated
Bedford Materials		PAPERS: Diamond coated Kraft
Bergquist	Sil-Pad® Gap-Pad® Bond-Ply® Hi-Flow®	TAPES: EMI and thermal management FOAMS: EMI and thermal management
Bondex		LAMINATES: KM, NKN, NMN, RM, RMR, DMD COATED FABRICS AND MATS: coated aramid mat, varnished cambric, varnished glass cloth FILMS: resin coated polyester, coated polyimide
Chomerics™	CHO-FOIL® CHO-SEAL® CHO-THERM® SOFT-SHIELD®	TAPES: EMI and thermal management FOAMS: EMI and thermal management
Cottrell Paper Company, Inc.	Copaco®	PAPERS: Kraft, Copaco 125, vulcanized fiber, Rag, Kraft plain and diamond coated, pressboard
Covalence™		TAPES: splicing/laminating, OEM medical
Crocker Technical Papers Inc.		PAPERS: Kraft
DuPont™ AFS	Kevlar® Nomex®	LAMINATES: NMN, NKN, NMNE, Nomex 410,411,414,418,419 PAPERS: pressboard, creped TAGS/LABELS: Type N714, N716 COATED FABRICS AND MATS: Nomex spunlaced
DuPont™ HPM	Cirlex® Kapton® Tedlar®	FILMS: Kapton MT, HN, FN, CR, CB, polyvinyl fluoride (PVF)
DuPont-Teijin®	Cronar® Melinex® Mylar® Teonex® Tetoron®	FILMS: polyester (PET), WC, EL, MO, HS, polyethylene naphthalate (PEN)
Fibertek™	RES-I-LAM™	LAMINATES: DMD
Flexcon		TAPES: pressure-sensitive, adhesive coated LAMINATES: DMD, NMN, RM, coated B-stage epoxy
Fujipoly®		TAPES: thermal management
Insulectro		FILMS: DuPont Pyralux®
Intertape Polymer Group™		TAPES: electrical insulation, packaging, masking

BRANDS	PRODUCT LINE	TYPE
Isovolta		LAMINATES: DMD, RM, NMN, TAPES: Mica COATED FABRICS AND MATS: coated cloths
ITW	Formex®	FILMS: FR Polypropylene
Laird Technologies™		TAPES: EMI and thermal management
Loparex		LINERS: siliconised papers, coated silicone film, single and double sided liners
Mobil™	Bicor®	FILMS: BOPP, OPP, polypropylene, acrylic coated polypropylene, PVdC coated polypropylene, PVOH coated polypropylene
Nanya	PVC	FILMS: PVC
Nitto Denko Permacel®		TAPES: conductive foil, electrical insulation, masking, packaging, plating, shielding, thermal transfer adhesive, glass cloth, PTFE
Oliner	Vulcanex®	PAPERS: vulcanized fiber
Pall Venting Media	Emlon® PTFE Pallflex® Super®R Versapor®R	FILMS: treated PES, treated acrylic copolymer, hydrophobic
PMA, Inc.		PAPERS: Kraft plain and coated (including diamond Kraft), pressboard, duct strip, tubing
PPI		TAPES: electrical insulation, special constructions
Pucaro		LAMINATES: DMD, NMN, RMR, KM
Qycell™		FOAMS: cross-linked polyethylene, irrigated cross linked polyethylene, microcellular bun
Raflatac™		FILMS: Kimdura®, Syn-thermal, polyester, BOPP PAPERS: semi gloss, high gloss, thermal transfer, laser
Rogers Corporation	Poron® Bisco®	FOAMS: Urethanes RUBBER: Silicones
Rubberlite	HyPUR-cel® Visco-cel®	RUBBER: neoprene, natural rubber, EPDM, blends FOAMS: cross-linked PE, EVA
Sabic Polymershapes	Lexan™	FILMS: polycarbonate
Saint-Gobain	CHR® CHORlastic® Furon™ Korel™ Normount™ Norseal™ Thermacool™	TAPES: foam bonding, pressure-sensitive, PTFE FILMS: Furon™ FOAMS: PVC Foam gasketing, micro-cellular urethane gasketing RUBBER: silicone rubber COATED FABRICS AND MATS: silicone-coated fabrics
Sumitomo	SumiLite®	FILMS: FR PVC, foil laminated PVC
Tesa®		TAPES: double-coated foil, masking, packaging
Toyo Fibre Co., Ltd.		PAPERS: vulcanized fiber
Tyco		TAPES: cloth, duct, film, foil, paper
Von Roll	Acme® Acuflex® Therm-Al®	LAMINATES: KM, NKN, NMN, RM, RMR, DMD TAPES: thermal transfer, mica FILMS: resin coated polyester (PET), coated polyimide (PI) COATED FABRICS AND MATS: coated aramid mat, varnished cambric, varnished glass cloth
Weidmann		PAPERS: Kraft plain and coated (including diamond Kraft), pressboard
Westlake®	Ultrason® Vitrex®	FILMS: polyetheretherketone (PEEK), polyethersulfone (PES)
Windsor-Stevens		PAPERS: Kraft
